Alaeddine Najjar

ACCOUNTS CTO | TECHNOLOGY EXECUTIVE

France | alaeddine.najjar@gmail.com | linkedin.com/in/alaeddinenajjar

Technology executive with 20+ years of experience at the intersection of innovation and strategy. As a CTO, I lead teams, architect resilient IT platforms and guide digital transformation. My experience spans cloud computing, cybersecurity, software and enterprise architecture, with a focus on aligning technology with business objectives.

SELECTED IMPACT

EUR 950K	**EUR 120K**	**80%**	**30%**
annual SQL license savings	annual Azure savings	less compliance reporting time	fewer security incidents
